Join Cassandra Trimble on her latest Thrill Ride!

On the slopes of Mount Karaka, the famed Mountain of Doom, Cassandra Trimble faces the latest thrilling threat to her perilous career. On a mission of peace to the interior of Brazil, Cassandra's small plane crash lands when its engine fails, leaving Cassandra and her surviving fellow passengers to fight their way down across the unforgiving slopes. Alex Travers, intrepid explorer and adventurer on his way to find the lost Hatipos tribe. Roger de Groot, naturalist, on a mission to study alligators in the Mato Grosso. Mona Gutierrez, mysterious psychic, following a trail of mystic energy to this exact moment in time and space. Four travelers. One mountain. And a whole lot of unknown...
