What is the strongest aspect of this excerpt?

The entire excerpt is absolutely brilliant. I can't wait to see this one published. A great, great beginning to a wonderful, futuristic novel. The plot development is creative, well done and has a lot of suspense. It holds your interest, in fact, you can't stop reading it. The plot has a tremendous hook in it, great originality and the prose completely supports the whole story concept. Very wonderful beginning!

What aspect needs the most work?

I cannot find anything to be worked on. This author writes well, in fact, this is a story that needs to be finished and published.
